Speaker Information:

Dr. Jason Keister is a family practice provider who joined the team at the Community Health Centers (CHC) of Lane County in 2017. He received his medical degree from St. Louis University and before joining the CHC completed a Family Practice Residency in Daytona Beach, Florida.

Dr. Keister has special interest in Addiction Medicine. He sees patients in his primary care practice for medication-assisted treatment with suboxone and also works for Springfield Treatment Center where he manages patients on methadone and suboxone.
